Update: Provider notification for birth events.

Date: 08/21/19

To ensure proper documentation of all births we ask all providers to submit clinical information for the health plan to create the birth event.

This information can be submitted at the time of the inpatient notification for the delivery. If the information is not available at that time, please submit the documents to 844-909-0056 immediately following the birth.

A complete birth event should contain the following information:

- Mother’s name
- Mother’s date of birth
- Mother’s Medicaid ID number
- Date of birth and time of birth for the baby
- Delivery type (i.e. vaginal, C-section)
- Gestational age in weeks/days
- Weight of the baby
- Gender of the baby
- Date of last menstrual period
- Apgar (-1 min and then again at 5 min)
- Birth Status (i.e. still born, detained, adopted, released with mother, etc.)
- Delivering physician

If you are notified that this information is needed please fax to 844-909-0056. All other questions can be referred to Illinicare Health at 866-329-4701.
