### **Enhanced Ambulatory Patient Grouping Claims Project**

IlliniCare Health has started the reprocessing of claims that were paid at percent of billed (previous provider notice: <https://www.illinicare.com/newsroom/er-and-observation-claims-payment.html>) to now pay at the correct Enhanced Ambulatory Patient Grouping (EAPG). This may result in recovery to previously paid claims.

IlliniCare Health's Provider Relation teams will be outreaching to the highest impacted providers. Should you have any questions regarding this project, please feel free to contact your Provider Relation Representative.

As always, we thank you for your continued partnership in making IlliniCare Health members a healthier community.
