

Become a Certified Local, Diverse Business

Four Easy Steps to Become BEP Certified

- 1 Apply for Small and Diverse Business Programs
- 2 Apply for Certification with the Business Enterprise Program
- 3 Notify IlliniCare that you are BEP Certified
- 4 We will promote you as a BEP Certified Provider

IlliniCare Health is dedicated to supporting local, diverse businesses in our community. This includes businesses that are run by minorities, women, or individuals with disabilities. Becoming an Illinois Certified Business Enterprise Program (BEP) vendor allows you the opportunity to grow your business, increase your revenues and enhance your credentials.

Is your provider office:

- at least 51% owned and controlled by a minority, woman, or individual with a disability?
- owned by a citizen of the United States or a resident alien?
- have annual gross sales of less than \$75 million?

If so, you qualify to be a BEP Certified Vendor.
